DECLARATION OF CADET NATHAN AIME

I, Nathan Aime, am a Cadet at the United States Coast Guard Academy. I received a last-minute email as well on August 15, 2022, from a Company Officer, Lieutenant Kelsey Gray stating I had a meeting with Commander Casavant, the Assistant Commandant of Cadets. Here I was told about the Novavax vaccine and that upon refusal my disenrollment would be continued. In addition to this news, I received a memo under which the entry type was performance and discipline and contained details of the Novavax vaccine being administered under the Emergency Use Authorization as well as a denial letter for the appeal of my disenrollment. I refused to sign the paperwork to which Commander Casavant wrote "Member refused to sign." A few hours after the meeting, I was given a checkout sheet to complete before officially ending the process of my disenrollment by Tabitha Aime who had received two copies since I was not handed one during my initial meeting.

I declare under penalty of perjury that the foregoing is true and correct. Executed on August 17, 2022.
